**REPORT ON GOLD, COPPER AND TUNGSTEN MINERALIZATION AT
KURUNDI (NT) – COMPETENT PERSON**

Further to the announcement on 5 September 2007 by Washington Resources Limited (“Washington” or “the Company”) in respect of exploration at Mosquito Creek and its Kurundi exploration licence, the Company wishes to add that the report was based on information compiled by Mr Peter Burger, an exploration geologist for Washington.

Mr Burger has sufficient experience relevant to the style of mineralization and types of deposit under consideration and the activity that he is undertaking to qualify as a Competent Person as defined in the 2004 Edition of the “Australasian Code for Reporting Exploration Results, Mineral Resources and Ore Reserves” (“JORC Code”). The report was issued with Mr Burger’s consent as to the form and context in which the exploration results appeared.
